October 2, 2018

If you have been looking and going outside, you can feel that summer has gone away. I know that this is also that the colors on the trees are beautiful this week. I want to let everyone know that hunting season has started, so be careful when you are out riding, because you might meet some hunters and be respectful to them. I want to remind everyone that trail to the Pelletier Island, atv access sign to open the road from Fongemie Road to Lake Shore Road are up. **PLEASE, again be respectful for the resident and watch your speed so you do not make any dust.**

If some of you have been out riding, you might have notice that we are still out working on trails. What we are doing this fall will help for the rest of the riding season and hoping that next spring we will not have to do anything. If any of you knows where we should work in the trails, please let me know so we can look into it this year or next year. I have had some complains on Talbit Road off Little Mountain Road of speed, noises and if it does not stop, then we might lose the trail going toward the Golf Course. Keep in mind that this an ATV Access trail.

We will be having our next meeting on October 9 , 2018 @ 6:30pm. The meeting is at the Four Season Lodge. If you have any question or suggestion about the club or trails, come to the meeting and also you can bring a friend.

This year Christmas Calendar Raffle sale tickets are out and the sale is looking good. I would like to say Thank You to those that are selling some and all of those that has all ready send there tickets in. If you do not want to buy the tickets or sell them, please return them back ASAP so we can sell them, because all the tickets are out and we do not have any on hand to sell. The ticket need to be in by Nov 17. This is one of your fund raiser that help with the cost of trail maintenance. The fund helps with the trails and other expense of the club. For more info, contact Anne @ 728-4992.

If any of you have heard that Bike Maine did come to Madawaska on Sept. 10—11. These bicyclist were here and we gave some of them UTV ride on Tuesday Sept. 11. All of them that rode enjoy there ride, even if we had a little rain and they love it and also give donations to the club., they love it. We gave a ride in the morning and another in the afternoon.

Sincerely,

Real Deschaine
