

# TRAILS & TALES

Log onto: [www.sandyriverriders.org](http://www.sandyriverriders.org)

May 29, 2019

Hello Club Members,

Our next meeting is Thursday June 6th 2019 and will be held at the **Strong American Legion Hall in Strong.** Pot Luck Supper is at 6:00 pm with our meeting following at 7:00 pm. So why don't you join us with a delicious something for supper for everyone to share.

## TRAILS

Caleb, our new Trail Master and John checked out the trails this weekend and said that the Trails will be closed for at least another two weeks and possibly longer. So check out Facebook for any updates and they will keep you posted. As most everyone knows we have had a very wet Spring with rain every other day or so and the trails just have not had a chance to dry up at all. As I type this letter it is raining AGAIN!! **And remember-Please Respect the Land and the Generosity of Our Landowners! If not for them we would not have trails to ride.**

## ROADSIDE CLEANUP

John said that he had 13 members join him on the Roadside Cleanup this year. They held a Scavenger Hunt that day also and we will find out who won the prize at our big reveal at the next meeting. We want to send a big **Thank You** to everyone that showed up to work. It shows the Town's people a positive image of our club.

## RETURNABLES

Les did get quite a haul of returnable's from the Roadside Cleanup. He told me that so far this year he has turned in \$347.00 in bottles and cans. He has

his truck at all of our meetings so if you bring some returnable's just fill him up.

## MERCHANDISE

Also a reminder that we have Shirts and Hats for sale at our meetings also.

*"Yes, I am pulling the lawn mower with the ATV. If I have to mow the yard, I might as well have fun doing it."*
