

Well as you probably know already, things have not changed much from last month. We are still homebound with face masks when out in public and six foot distance between you and your friends and neighbors. But soon as mud season is over with we should be able to get out on the trails with our ATV's for some riding and fresh air. There will also be lots of trails that will need trimming, brushing etc.

Dana did tell me that the **Road Side Clean Up** has been set for **Saturday May 9, 2020**. If you would like to join us on that day, you can hook up a trailer to your ATV and meet at the Nazarene Church in Strong by 9:00am. Streets and roads will be assigned to everyone. Also trash bags will be available for everyone. You should make sure that you have gloves to wear. If you have a reflective vest available please wear them also. As always-Safety First. John should have permission slips for you to carry with you should anyone wonder what you are up to.

Dues are now due. I will add an application with this newsletter for your use. If you have already paid for this year you might pass it on to a friend or neighbor so that they might join.

Les is, as we speak taking in returnables if you have any you would like to donate you can call if you are local and he can pick up or you can bring them to us and deposit in our garage.

Our phone number is 652-2227 or email [bssnell@tds.net](mailto:bssnell@tds.net)

Leave a message if no one answers.

President John Evens number is: 491-3117 or 684-3428 if you have a questions about what is going on with trails etc.

This is what might happen if you are on trails that are not ATV trails. Beware!!! And stay off them.
